LYDIA  
AINSWORTH

DARLING OF THE AFTERGLOW

Toronto-based singer, composer and producer Lydia Ainsworth blurs the boundaries between indie music, filmic orchestration, and electronic music. With a background in composition for experimental film, Ainsworth has remarkably unique and ever-exciting approach to pop music.

*Darling Of The Afterglow* is Ainsworth's second LP, following 2014's acclaimed *Right From Real*. Powerful and self-assured, *Darling Of The Afterglow* marks Ainsworth's arrival as an experimental-pop force.

Ainsworth has received positive critical acclaim across her career, including features in major music publications such as *The FADER*, taste-making blogs like *Gorilla Vs. Bear*, as well as a "Rising" feature and Best New Track on *Pitchfork*. She has toured North America extensively, including festival slots at SXSW, CMJ, NXNE, Pop Montreal, and sold-out headline shows in New York, LA, Montreal, and Toronto.
