Fol Chen, *The False Alarms*

Catalog: AKR093

Release Date: March 19, 2013

Fol Chen make the soundtrack to a future that never was. To listen is to leave the comfort of nostalgia and land with both feet in a bolder 21st century. *The False Alarms* (Asthmatic Kitty, March 19) continues the band's electro-pop odyssey, now with a honed character and a more distinct palette of sounds. Fol Chen has also traded its cloak of anonymity for defiant confidence featuring Sinosa Loa as its new front voice.

It's pop music for people who aren't sure where or when they are, but who know it's nowhere they've been before.
