Laced was formed in Brooklyn, NY by Dustin Payseur (Beach Fossils), Ian Judd (Couple Skate Records), and Ryan Naideau (Warthog, Nude Beach) in late 2013. Combining moments of dissonance with intricate melodies, Laced draws from the ethos of jazz, hardcore punk and psychedelic music to create an aggressive yet harmonious sound. Their self-titled debut 7" EP is coming out on Payseur's own Bayonet Records 10/30/2015.
