DELVON LAMARR JIMMY JAMES DAVID MCGRAW

ABOUT THE LP

The Delvon Lamarr Organ Trio may have this KEXP session to thank for much of the notoriety they have received since it first premiered. Since then, they've secured a record deal, a world renowned booking agent, a publishing deal, international sponsorships, and will be embarking on a national tour this spring. This session was released on vinyl for the first time for Record Store Day 2018, marking the first full KEXP session ever to be pressed on vinyl. Now it's available once again on black vinyl, CD, and cassette.
