

DIIV OSHIN - CD/LP

DIIV is the nom-de-plume of Z. Cole Smith, musical provocateur and front-man of an atmospheric and autumnally-charged new Brooklyn four-piece. Recently inked to the uber-reliable Captured Tracks imprint, DIIV created instant vibrations in the blog-world with their impressionistic debut "Sometime"; finding it's way onto the esteemed pages of Pitchfork and Altered Zones a mere matter of weeks after the group's formation.

Enlisting the aid of NYC indie-scene-luminary, Devin Ruben Perez, former Smith Westerns drummer Colby Hewitt, and Mr. Smith's childhood friend Andrew Bailey, DIIV craft a sound that is at once familial and frost-bitten. Indebted to classic kraut, dreamy Creation-records psychedelia, and the primitive-crunch of late-80s Seattle, the band walk a divisive yet perfectly fused patch of classic-underground influence.

RELEASE DATE: JUNE 26, 2012

"So "How Long Have You Known?" becomes DIIV's first great song, because Smith negotiates the difficult task of standing out within a sonic template that sublimates individuality by definition." - Pitchfork BEST NEW TRACK

"You might be left feeling bummed out, but it's a small price to pay for something that sounds this elegantly wasted." - Pitchfork BEST NEW TRACK
