

## WILD NOTHING NOCTURNE - CD/LP

wild nothing / nocturne ○●●●●●●●●●

'Gemini' was written before there were Wild Nothing fans or even a live band; 'Nocturne' is different. The obsessiveness of 'Nocturne' is inherent in its gentle harmonies, orchestrated synths, wandering voice, and songs that speak of his post-Gemini experiences as he explores new paradoxes of pop. And yet 'Nocturne' isn't obvious, it is a strange and distinctive musical beast, the product of an obsessive pop vision that creates its own reality.
