## THE SERVANTS

### SMALL TIME & HEY HEY WE'RE THE MANQUES - 2xLP

This double LP comes as Captured Tracks' second (and technically third!) reissue of The Servants. The Servants were pioneers in the jangle pop movement in England and were featured on the classic C86 compilation. Though the music of The Servants is considered a hidden gem of England's jangle pop scene, it's members went on to play in acts like Jesus and Mary Chain, Lush, Biff Band Pow, and Primal Scream. This music is sure to be enjoyed fans of jangle pop everywhere!
