## PERFECT PUSSY I HAVE LOST ALL DESIRE FOR FEELING 1xLP/CD

• Hometown: Syracuse, NY  
• Playing Australia/New Zealand's Laneway Festival in February 2015

"Punk rock revelations like Perfect Pussy don't come along often enough. They've got it all: great riot-feminist name, excellently miserable hometown (Syracuse, New York), ragingly chaotic live shows and a noise-assault donnybrook of a debut EP that's right up there with Yeezus among 2013's freshest headaches." Rolling Stone

"This band is going to be part of your life for the foreseeable future." Pitchfork

Just over a year after playing their first show as a band, Perfect Pussy have quickly made a name for themselves as one of the most intense bands in the indie rock and hardcore punk communities, both live and on record. Their fast rise to success all stemmed from this 4 track demo EP, originally released as a cassette only. Simply title tracks such as "I" and "IV" garnered praise from everyone to Rolling Stone and Pitchfork, to NPR and the New York Times, landing the on countless year end lists.

Since the release of this 4 song wonder the band have toured the US countless times over, done a full tour of Europe and played festivals such as Pitchfork, Pitchfork Paris and Iceland airwaves. Their full length LP 'Say Yes to Love' received Pitchfork's Best New Music and is looking to join 'I Have Lost All Desire For Feeling' as a year end chart topper.
