

MOLLY BURCH DOWNHEARTED - 7" EP

- Hometown: Austin, TX
- Debut 7" from New Captured Tracks Signing

After relocating from Asheville to Austin, Molly Burch found herself reflecting back on past lives and past relationships. Drawing inspiration from Dusty Springfield, Patsy Cline, The Shirelles, and The Everly Brothers, she recorded a mature set of tracks full of vintage atmosphere and dreamy melancholy. *Downhearted* is a melodic, soulful introduction which dives into the depths of love and lovesickness, giving voice to the desires that separate the two.

This is her debut 7" for Captured Tracks. A full-length is expected in early 2017.
