

B BOYS DADA - LP/CD

- Debut Album
- Hometown: Brooklyn, NY / Denton, TX
- Previously EP No Worry No Mind (2016) covered by Stereogum, The Fader, Noisey, Exclaim, NME and more.

Dada – conceived first as a dream, then manifested into reality as instruments and voices recorded onto magnetic tape – is the newest sonic artifact by the group known as B Boys.

Over the course of the album, the 13 songs explore connections between language, self-awareness, introspection and unconventional serenity. A nod to the collective unconscious by way of personal reflection. Experiential wisdom filtered through a tin of mints and a fresh pair of chinos.

RELEASE DATE: MAY 19TH, 2017
GENRE: ALTERNATIVE / INDIE / PUNK

Praise for *No Worry No Mind* EP (2016):

"B Boys have a knack for brevity, establishing ideas and concepts and moving on before they get stale." - EXCLAIM

"Warm and heavy with grit, the tracks on the EP build on the foundation of many classic punk acts from Wire to Parquet Courts, with flangy guitars and ambivalent vocals over tight, frantic rhythms." - STEREOGUM

"Wildly charismatic vocals, sudden textual shifts, snappy song lengths and driving grooves across the board." - POPMATTERS
