TRACK LISTING

A sinewy guitar, a throbbing bass, and a chorus of haunting females oohs... *Eccentric Soul: The Deep City Label* started with one unrelenting pleader of a track: Them Two's "Am I A Good Man." Since its 2006 re-release, "Am I A Good Man" has appeared in dozens of films and television shows and has been sampled by the likes of Ghostface Killah and 50 Cent. Ten years later, this deep soul classic from Miami returns to its original format with its long-vaulted B-side "Love Has Taken Wings" on the reverse. Both songs were co-written by Clarence "Blowfly" Reid and produced by Liberty City wunderkinds Johnny Pearsall and Willie Clarke.
