RELEASE BIO

Charge It To The Game's debut LP *House With a Pool* puts the Los Angeles-based duo's inside jokes on full display with songs about goth girls woven through completely analog production and guest appearances from IRL friends Juiceboxxx and B L A C K I E. The pair consists of producer Kyle Mabson, an LA native, and Nigerian-American rapper Fat Tony, originally from Houston's third ward. This full-length, produced by Mabson and engineered by Jonathan Snipes of the experimental rap group Clipping, is the natural next step from their 2016 debut EP *Urban Hall of Fame*. "It's the same kind of vibe but we now have a better idea of what we're going for," shared Mabson. "The album title is what we will end up getting with all that money we be makin', baybeeeee."

Ghost Ramp is proud to present the debut LP from rap duo Charge It To The Game (Fat Tony and Kyle Mabson) on limited green colored vinyl!
