"**American Nudism** or **Gabriel Gutierrez**

is the former front person of **LYSOL**.

Done with starving on tour in the American underground he has settled in Olympia where he can bathe in synthesized chocolate syrup."

"too much change in too short a time.

Can you tell what's real or unreal?

Science fiction becomes future truisms

"Vroom- vroom" says the philosopher

Change is a cop

And he's an action machine."

3 tracks 45RPM

## ADDITIONAL INFORMATION

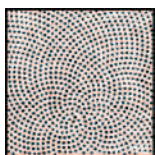

This avant pop project features **Olympia, WA** performance artist and frontperson **Gabriel Gutierrez (LYSOL)**.

Recorded in a mix of self produced home sessions and continued teamwork of the seminal Olympia Engineer **Captain Tripps Ballsington (Milk Music, CC Dust, Gun Outfit)**, this release continues the Olympia tradition of singular artist blazing trails for others to soon follow.

Along with a West Coast tour to follow in support of this 7".

"Sick synth-pop from the genius mind of Gabriel Gutierrez (Lysol/VATS). Imagine The Normal's Warm Leatherette and a 1980's Sci-fi movie soundtrack." (RICHTER SCALE RECORDS)
