VINYL NOT RETURNABLE

Small Black's *Real People* EP follows the band's 2013 critically acclaimed album, *Limits Of Desire*. Sonically, the New York band continue with the pristine electronics they mastered on their last full length and features guest vocals from Frankie Rose on two of the five tracks.

FUN FACT: The title track drew inspiration from one of our generations greatest folk heroes, Colton Harris-Moore aka The Barefoot Bandit.

### SELLING POINTS

1. New EP from Small Black with five new songs.
2. Two songs on the EP feature guest vocals from Frankie Rose.
