FORMAT: CD
CD BOX LOT: 30
GENRE: ALTERNATIVE/ INDIE ROCK
KEY MARKETS: NEW YORK, CHICAGO,
AUSTIN, SEATTLE, BALTIMORE, DC,
MINNEAPOLIS, INDIANAPOLIS, LOUISVILLE,
SALT LAKE CITY

After her highly-acclaimed debut *Strange Cacti* landed in the hands of listeners, it became very obvious the special presence **Angel Olsen** offered to listeners. She had a fresh edge to her sound, a warm and wonderful range, and a level of skill and charm out of this world.

Half Way Home is a continuation of her elegance brought forth on *Strange Cacti*, a collection of both new and old music, honed and matured, thoughts revisited. We're hearing this same beautiful girl with that same beautiful voice, this time brought up to a new level, in no doubt a growth and reach brought on by several roadtrips with the one and only **Bonnie "Prince" Billy** and crew.

The work of Angel Olsen is entirely her own: a raw, glowing sound that stands out now just as much as it did in 2010. It's an emotional stew with Angel's robust voice up front, bold and engaging, coming out of the background, aching to be heard. With the help of Emmett Kelly (**The Cairo Gang**) behind the board and playing throughout the songs, *Half Way Home* is a natural progression showcasing the wondrous sounds of a songwriter with such a voice that is rarely found.

SELLING POINTS

1. **Angel Olsen's** critically acclaimed 2012 LP, *Half Way Home*, is now available on CD.
2. Touring around release of CD.

CD UPC:#656605760520
