OVERVIEW :

Lewis and Addison Rogers are brothers who make pop-music together. When they do this, they go by the name Busman's Holiday. Lewis plays guitar, and Addison plays his modest drum kit, complete with suitcase bass-drum. Independently, the brothers have performed with artists such as Jens Lekman (Addison drumming and providing backing vocals on his recent tour) and Sleeping Bag (Lewis was the original guitarist).

"A Long Goodbye", the first proper album from Busman's Holiday was recorded by Mark Lawson (Arcade Fire) and mixed by Drew Vandenberg (Toro Y Moi, Kishi Bashi). The band has been featured on WNYC's Radiolab.

RIYL: Randy Newman, Paul Simon, Kishi Bashi, Van Dyke Parks, music!
