Born in the bleak isolation of the secluded prairie city of Edmonton, Canada, Homeshake's Peter Sagar worked with friends in a number of local bands before picking up and moving to Montreal in 2011 to begin recording under the Homeshake moniker. Following two self-released cassettes (*The Homeshake Tapes* and *Dynamic Meditation*) and two acclaimed full lengths (*In The Shower* and *Midnight Snack*), Sagar cracks a window open with his third album for Sinderlyn - *Fresh Air*.

Started immediately following the recording of *Midnight Snack*, *Fresh Air* continues Sagar's exploration of dreamy, downtempo bedroom R&B and draws inspiration from such disparate artists like Sade, The Band, Broadcast, Prince, and Angelo Badalamenti. As the title *Fresh Air* suggests, Sagar's songs were created to clear his listeners' minds of negativity. Full of smokey, laid back love songs and airy productions, Sagar's decidedly stoned sound is a breath of fresh air.

RELEASE DATE: FEBRUARY 3RD, 2017
GENRE: INDIE/ R&B

"Like the other work he's released under the Homeshake name [*Midnight Snack* is] a wonderfully tape-warped take on indie pop structures, though more keyboard heavy than ever before." - SPIN

"Midnight Snack [is] an eclectic and beautiful Homeshake album that takes the relaxed, jazzy vibe he honed in the past, and injected it with more varied often conflicting elements - because "contrast is good, not everything has to match." It's the most powerful statement he's made, taking the side out of the 'side project' once and for all." - Purple Sneakers
