On September 9, welcome Sneaks to Merge Records with the reissue of Eva Moolchan's debut full-length *Gymnastics*.

Sneaks songs are the mesmerizing post-punk incantations of Washington, DC's Eva Moolchan. Bass and drum machine underpin Moolchan's compelling vocals, and the music straddles several decades of serious minimalist fun.

Sneaks is currently recording her sophomore album *Hi Spirits* with Mary Timony and Jonah Takagi, to be released on Merge in early 2017. See the band on tour now, with more dates to be announced soon.
