

# NUMERO GROUP

VARIOUS ARTISTS: SHANGHAI'D SOUL : EPISODE 4

Everybody's *still* talking about the good ol' days! A rough and rugged collection of Numero Group classics that have inspired swarms of killer beats. A head nod to the sounds of Shaolin, the thirteen chambers of *Shanghai'd Soul* have led a generation of lyrical chefs and production geniuses to compose some of their most ominous hip-hop. Bound by heavy drums, moody chords, and haunting melodies, Gods and Earths alike will appreciate the raw funk and smoother-than-a-Lexus soul that come together like Voltron on this special compilation.
