### Tracklisting:

- A. Further Gone
- B. God Will Let Me Know

Two new songs and just the second solo release from **Ned Oldham** whose been recording music for more than two decades now: first with **Palace**, then as **The Anomoanon**, later as **Old Calf**.

Limited to 600 copies. We know 7"s aren't the most popular format these days (lagging right behind the cassingle) - but Ned sent us these songs and they were just too good to pass up.
