SYL JOHNSON: **MY FUNKY FUNKY BAND**

Nobody—and I do mean nobody—has a funkier band than Syl Johnson! His famous Chicago outfit cooks up such powerful rhythms that there isn't an R&B band in all the land that can come close to touching them. When Syl's out front in the spotlight, delivering his dynamic vocals while his funky, funky band lets loose with their unstoppable rhythms, I defy anybody with two working ears not to head straight to the dancefloor.

Limited to 500 copies.
