

NUMERO GROUP

VARIOUS ARTISTS: **SWITCHED-ON EUGENE**

Switched-On Eugene documents the Eugene Electronic Music Collective and some of the many synthed-out figures in and around Oregon's iconic hippie stronghold during the 1980s. Whether connected by membership, geography, or the tape trading scene, the artists in and around the EEMC shared compelling visions of the future we now inhabit, vividly captured on home-recorded tapes and distributed via zines, classifieds, and local radio. *Switched-On Eugene* is a deep dive into a heretofore forgotten sonic microcosm unlike any other.
