KEY MARKETS: NEW YORK, LOS ANGELES,
CHICAGO, BALTIMORE, PORTLAND,
PHILADELPHIA, SAN FRANCISCO, BOSTON,
AUSTIN, WASHINGTON D.C.

TERRITORY RESTRICTIONS: EXCLUSIVE TO
SONY MUSIC IN JAPAN
VINYL NOT RETURNABLE

ABOUT THE ALBUM

There's a fury at the core of Yoko Ono's 1973 rock opus *Approximately Infinite Universe* that was not apparent on previously recorded efforts. Ono has always been a master of turning pain and sadness into art, but here, there's a clenched-fist intensity that sets it apart in her deep, unparalleled catalogue. Ono is angry. She proved that one can carry a boundless love for humanity and still be furious — furious at male/female relationships, at war, at your partner. Meanwhile, on a sonic level, Ono ups the ante on the more centered rock-n-roll sounds she approached with 1971's *Fly*. The album is one of the most traditional-sounding rock chapters in Ono's sprawling catalogue. There are moments here that absolutely rival Jersey legends the E Street Band, though of course Ono's vision leads her band down darker, more mystical paths than the E Street Band ever dared tread. *Approximately Infinite Universe* is an essential and progressive piece of Ono's output, both in the advancements she made as a songwriter/conceptualist, and as a solidified statement of her staunch feminist role within the very male-dominated mainstream rock ghetto of the mid-1970's.
