Major Lazer has announced their first official release of 2014, the *Apocalypse Soon* EP, slated for release on February 25th via Secretly Canadian / Mad Decent. The new chapter begins where Major Lazer, led by Grammy nominated Diplo, left off in 2013. Once again, Major Lazer has recruited some of the biggest names in music to collaborate on the 5 track EP including Pharrell Williams and Sean Paul as well as Machel Montano, RDX, Moska and Mr. Fox.

Track Listing:

1. Aerosol Can (feat. Pharrell Williams)
2. Come On To Me (feat. Sean Paul)
3. Sound Bang (feat. Machel Montano)
4. Lose Yourself (Feat. RDX & Moska)
5. Dale Asi (feat. Mr. Fox)

SELLING POINTS

1. The latest offering from Diplo's Major Lazer features Pharrell Williams, Sean Paul, RDX, and others. Lead track "Aerosol Can" follows a string of Pharrell-featured hits, including Daft Punk's "Get Lucky," Robin Thicke's "Blurred Lines," and his own "Happy."
2. Major Lazer's previous release *Free The Universe* (2013, Secretly Canadian) has soundscanned 40k+ albums and 500k+ tracks to date. The breakout single from that album - "Bubble Butt (feat. Bruno Mars, 2 Chainz, Tyga & Mystic)" - cracked Billboard's Top 40 Pop Songs chart this past summer.
3. The first 1000 12"s will be pressed on limited edition orange vinyl
