

DESTRUCTION UNIT

TWO STRONG HITS

Newly reborn out of the Ascetic House art collective, Destruction Unit emerges with "Two Strong Hits," a 7" single that will stick in your head for weeks, more and more echoed until you no longer hear it -- you LIVE it. It is organized, driving chaos, determined to break everything loose and free everybody from their imaginary prisons and phony leaders. In just under eight minutes, Destruction Unit's sonic repetition, feedback experimentation and pummeling drums make for two songs that go off like a machine gun in the trenches of your psyche, all without a note feeling out of place. They will drive you crazy out of your head and into your body. Both tracks are loud, noisy and organic, no flashy solos or technical pandering. In fact, don't expect to find music at all. Destruction Unit is a direct message from the American underground - and the message is FREEDOM! Turn everything over to the freaks and BE FREE!

The 7" is limited to 750 copies (250 on glow in the dark vinyl, 500 on black) with a free download code and is also available digitally worldwide.
