| 5. December (Get to You) | 11. Failure and Disgrace |
| 6. Kiss and Tell | |

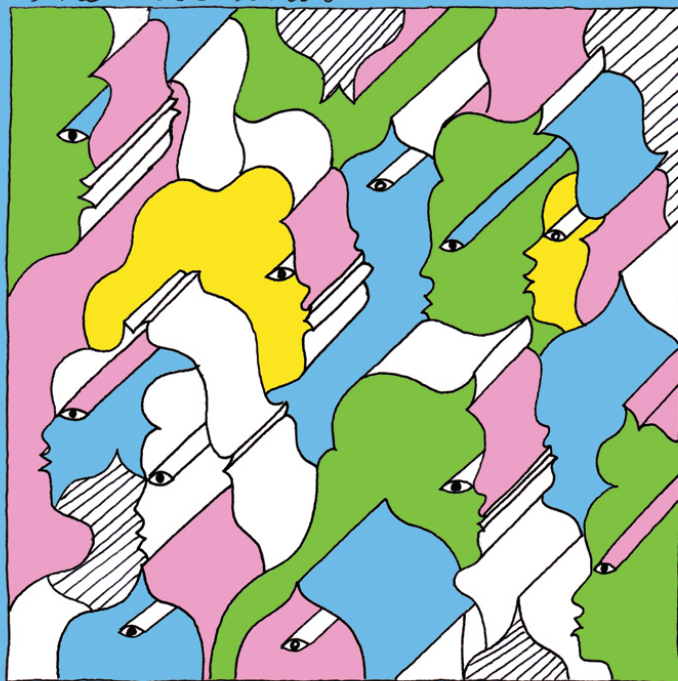

RELEASE BIO

San Francisco's The Love-Birds have been tearing up their local scene, breaking hearts and making fans across the city's disappearing DIY spaces and proper venues alike since 2016. After releasing a 7-inch EP in early 2017 via local label Empty Cellar Records, they're ready to unveil *In The Lover's Corner*, their debut album & first release on their new home, Trouble In Mind.

The album eases into view with the first track, "Again"; it's gentle acoustic strum augmented by guitarist Eli Wald's chiming electric twelve-string. From there the listener is treated to dynamic, life-affirming power-pop; bell-ringing, fuzz stompers ("River Jordan"), warm, carefully crafted fragile pop ("Clear The Air", "Failure and Disgrace"), and urgent, crystalline rockers ("Hit My Head", "Weak Riff"). The Love-Birds approach their craft with a classicist's ear; with nods to their Seventies originators as well as Nineties torch-bearers, composing near-perfect future classics that ooze with subtle, interesting melodic twists and hummable, finger-pricking hooks that are instantly memorable.

Aside from mastering by Norman Blake (Teenage Fanclub), *In The Lover's Corner* is a decidedly local affair, with album art by Shayde Sartin (Fresh & Onlys, Sonny and the Sunsets) and recorded in two sessions, one with engineer Glenn Donaldson (Art Museums, Skygreen Leopards) and another with Kelley Stoltz. "In The Lover's Corner" is issued on CD and Black vinyl (and a limited, yellow vinyl version for direct accounts) and will be available via all digital retailers and streaming services.
